

JETS SERIES SELF-PRIMING JET PUMP (WITH STAINLESS STEEL CASE)

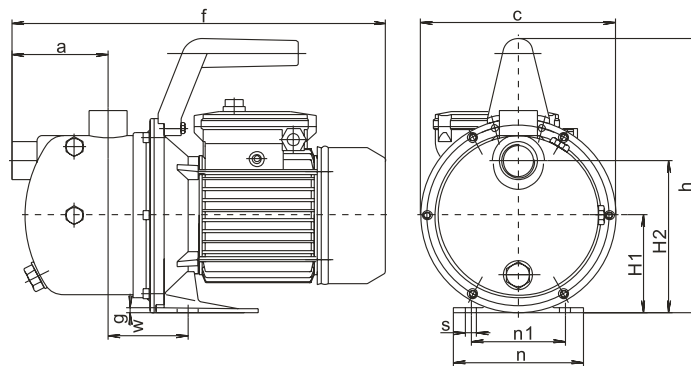

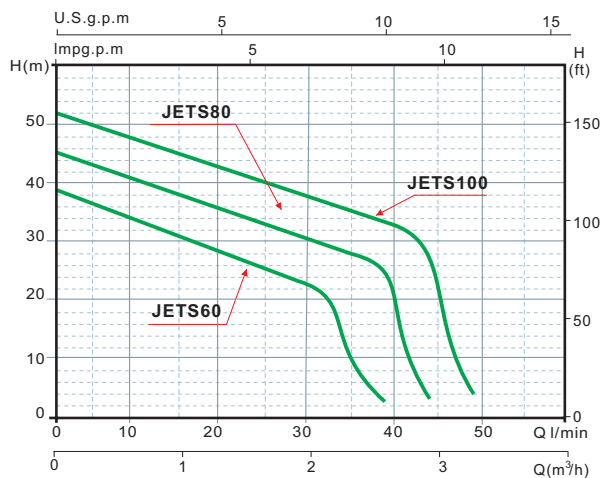

Stainless steel pump body JETS series self-priming electric pumps, Plastic pump body JETS series self-priming electric pumps, equipped with waterproof plug & power cord and watertight switch, It is suitable for gardening, water supply, washing, increase water pressure, etc. It is usually can be combined with a pressure switch and a surge tank to be used as a Domestic Water System for distributing water.

WORKING CONDITIONS

Max Temperature of Fluid up to +80℃
Max Pressure 10bar,
Max Ambient Temperature up to 40℃

JETS
